EMPLOYMENT HISTORY

CISP Coordinator (Acting)

February 2025 – February 2026 (secondment): Coronial Information and Support Program (CISP), Coroners Court of NSW, Department of Communities and Justice (NSW Government)

- Coordinate the Coronial Information and Support Program (CISP), including responsibility for managing a team of staff to provide coronial information and support to families and stakeholders.
- Coordinate complex cases and provides clinical supervision and support to staff on complex and special interest matters.
- Manage and deliver specialised support to families involved in the coronial jurisdiction, such as sensitive material viewings and inquest support.
- Provide outreach education and specialised training to stakeholders and staff, including police, magistrates and community groups.
- Expert advisor on the Child Death Review Team (CDRT) to provide input on coronial matters.

Senior Clinical Psychologist

June 2018 – January 2025: Violent Offenders Therapeutic Program (VOTP), Long Bay Correctional Centre, Corrective Services NSW

- Manage, supervise, and lead a large team of specialist psychologists in the provision of intensive psychological treatment for high-risk violent offenders.
- Provide clinical and risk assessment, case formulation and intervention in complex cases.
- Provide advice and case consultation to stakeholders as a subject matter expert on violence and challenging behaviours.
- Review and approve reports, provide advice and consultation to statutory authorities (i.e. State Parole Authority, Serious Offenders Review Council).
- Deliver education and specialised training to staff on violence risk assessment, treatment for high-risk offenders and managing challenging behaviours.

Additional responsibilities:

Psychological Consultant for Crisis/Hostage Negotiation Team

Security Operations Group, Corrective Services NSW

- Develop and deliver training related to psychological considerations for CSNSW Negotiators.
- Attend to hostage and critical incidents and provide support within the negotiation cell including monitoring the wellbeing and dynamics of the Negotiation team, assess risk and danger, profile the hostage taker and provide advice on human behaviour and strategies.

Clinical Psychologist

March 2015 – May 2018: Violent Offenders Therapeutic Program, Long Bay Correctional Centre, Corrective Services NSW

- Conduct criminogenic risk assessments related to sex and violent offending.
- Facilitate intensive group therapy for high-risk violent offenders within a secure environment.
- Provide adjunct individual therapeutic interventions for offenders with complex trauma, mental health issues, cognitive impairments and/or complex behaviours.
- Prepare reports, advice and consultation to statutory authorities (i.e. State Parole Authority, Serious Offenders Review Council).

Clinical Psychologist

October 2013 – March 2015: Compulsory Drug Treatment Program, Parklea Correctional Centre, Corrective Services NSW

- Conduct criminogenic risk assessments related to drug offending.
- Facilitate group therapy for drug offenders attached to the Drug Court of NSW.
- Prepare reports, advice and consultation to statutory authorities.

Senior Clinical Consultant

October 2012 – October 2013: Community Justice Program, Department of Ageing, Disability & Home Care, Family and Community Services (NSW Government)

- Provide expert advice and training around assessment, intervention of clinical plans and strategies to reduce the risk of reoffending by people with an intellectual disability who have exited a criminal justice facility.

Registered Psychologist/Associate

March 2011 – January 2012: My Space Psychology Practice

- Individual therapy for adolescents and adults.

ACHIEVEMENTS

- H. Martin Scholarship (Dux of Doctor of Clinical Psychology program), March 2010
- University of Sydney Postgraduate Award Scholarship, January 2011
- SARRAH Clinical Psychology Scholarship, February 2011
